En grundbog, der viser, hvordan man kan begynde at arbejde sammen med sine engle og lade deres lys heale og forvandle ens liv. Den fortæller om: englenes formål, og om hvordan man arbejder sammen med de forskellige engle, når der er brug for hjælp i bestemte områder af ens liv. Den fortæller, hvordan man møder sin skytsengel og hvert kapitel har forslag og øvelser, så man selv kan gå i gang og lære at værdsætte de forbløffende englevæsner.
