Kasper Holten fra bogens intro: Jeg er forelsket i London. Det må jeg ganske enkelt være, for hvad kan forklaringen ellers være på, at jeg finder det let pirrende og spændende at opleve severe delays på Piccadilly Line-tuben en torsdag morgen, hvor jeg skal skifte på Kings' Cross-stationen, der er så befærdet, at der hver dag passerer flere mennesker gennem den end gennem Heathrow Airport. At jeg finder det en oplevelse, når der er snavset på gaderne og mere rodet end i smukke København. Når jeg tænder på at opleve notorisk berygtede Victoria Station en mandag morgen i den heftigste myldretid. Det må være kærlighed.

Learn English, study for an English exam, take teacher training or learn a language at IH London. Lordship Lane: the London road paying a heavy toll for gang warfare Host your own event and take part in London Design Festival. Get involved and shape London's future.
