"Gribbene venter på, at en eller anden skal dø," siger hun stille ... Vi følger lyden og finder snart efter et termitbo omgivet af åben rustrød jord på alle sider. Foran et af hullerne ind i dronningehunnens bolig kryber et lille nyfødt barn sammen! Det lille forsvarsløse menneskevæsen, der et øjeblik kan minde om en hundehvalp, har vendt sig om på ryggen og ligger drejet op mod solen med øjne, der er betændt af sår." Et nyfødt barn, der er blevet ofret til myrernes ånd, en spedalsk kvinde, der tigger ved savannestien, sovesygepatienter, der er lænket til landsbyens træer.

Arne Falk-Rønne og en modig kvindelig missionær besøger steder i Afrika, der før har været utilgængelige for de hvide. Her oplever de de mest fantastiske og foruroligende ting og møder mennesker, der kæmper med næb og klør mod sygdomme og slavehandel. Arne Falk-Rønne (1920-1992) dansk forfatter, journalist, rejseleder og eventyrer.

Han har udgivet både rejsehåndbøger og rejsebeskrivelser, og slog for alvor igennem internationalt med en række værker, hvor han følger i flere bibelske personers fodspor. Heraf kan nævnes "Abrahams vej til Kanaáns land" (1971), "Moses' vej gennem ørkenen (1973) og "Du er Peter - en rejse i apostelen Peters fodspor" (1976).

The Afro-Asiatic language Hausa is spoken by about 30 to 50 million people, including approximately 19 million Nigerians. The Afro-Asiatic language Hausa is spoken by about 30 to 50 million people, including
