Workbook knytter sig til Coursebook, og alle opgaver i bogen refererer direkte til systemets emner og tekster. Opgaver, der opfordrer til tekstarbejde som klasse- eller gruppearbejde findes i Coursebook, mens opgaver, der i højere grad lægger op til individuelt arbejde, er placeret i Workbook. Bogen indeholder tre slags opgaver: Vocabulary Work, Language Work og Writing, og eleverne får dermed hjælp til at udvikle et præcist og korrekt sprog. Eleverne opfordres til tekstfordybning og nøjagtighed gennem opgaver, som forudsætter læsning og lytning.
