Bodil Kaalunds bog om grønlandsk kunst er BOGEN - om de kendte nulevende kunstnere og om de gamle, hvis navne er gået i glemmebogen. Et smukt billedværk om skulptur, brugskunst, maleri, grafik og tegnekunst. Hendes dybe engagement i grønlandsk kunst er udsprunget af interesse for symboler i kunsten og for kunstens funktion, og næret under hendes mange, mange rejser til Grønland.

| 'When you've seen the world there's always Greenland' goes the old travellers' saying. Visiting London; Torshavn, Faroe Islands; Reykjavik, Akureyri, Isafjourn, Iceland; Nuuk and Qaqortoq, Greenland; the Isle of Lewis and Glasgow, Scotland Cuban art is an exceptionally diverse cultural blend of African, South American, European and North American elements, reflecting the ...
